#### Quilt Show! Quilt Show! Quilt Show!

We still have some openings for helpers at the Quilt Show. Please take a look and sign up if you have not done so already. We are also still in need of refreshments for workers at the show and our opening reception. At our opening reception, we will be honoring our Quilter of the Year, Carolyn Harris. Don't miss it!

Another "Must See"- the Hi-Fiber Group has a show running through August 23rd at the World of Energy. Entitled "High Road", it features a series of block quilts that weave their way into on beautiful work of art.

## Looking to the Future, November Workshop:

**LMQG Workshop – Water Lilies – Candace Hassen**

**November 6, 2018**

**9AM – 3PM**

**Episcopal Church of the Ascension**

**214 Northampton Road, Seneca, SC**

**Bring your lunch or bring money as lunch will be ordered. Please plan to be at the church at 8:30AM to get your machine and supplies set up. Don't forget an extension cord. The guild will supply irons and ironing boards.**

**Class overview:** This class will deal with the process of taking a photograph, either of a famous work of art, or a personal photograph, and abstractly interpreting it in half square triangles, or some other piecing technique. I found a photo of the above painting by Claude Monet in a book, and was taken with it. I wanted to see if I could use what I loved about that painting, especially the composition, in a quilt. It was a fun process, and I thought it would be fun to share it with other quilters. It might even be something they could use to immortalize a favorite photo from a vacation, or some other memento.

**Supply List for My Water Lilies**

This class is about interpreting a beloved painting or photograph into a quilt. I used half square triangles, though we will discuss other approaches.

You will need whatever equipment you use to make half square triangles. For me that is:

Long ruler for cutting strips from yardage

rotary cutter

marking tools for marking on light, and dark fabrics (I use regular pencil for light fabrics, and light color pencil for dark fabrics)

6" long, 1/2" wide ruler

fine sand paper

pins

small square ruler-about 6" square

sewing machine

If you have a favorite way of making HST, bring whatever you use to make them.

You will also need a ruler and a marking tool that will show up on your source photo

This quilt involves quite a bit of cutting and pressing, so personal cutting and ironing stations at your work station would be best, but if that is not practical to the work space, as many ironing stations as possible would be helpful.

Also, some kind of design surface would be helpful, such as a portable design wall, I have used piece of insulation board (at least 30" square), covered in flannel, or even an extra cutting board, or stiff piece of cardboard would be better than nothing. Vinyl tablecloths could work if there is a way to attach them to the wall.

You will have the choice of using a photo of the painting I used, or bringing one of your own choosing. I will bring color copies of the painting I used. There will be a small fee to purchase one, probably \$2 or less. Alternatively, if you prefer a different painting, or a personal photo, you will need to bring an 8" by 10" color copy of the source material you want to use. It should be a copy that you are comfortable writing on. I recommend choosing a photo that has a pleasing composition, and areas of different colors.

This quilt will have small amounts of many fabrics. I chose to use batiks in this instance, because of their watery quality. Bring as many fabrics as possible in the color families that are in your source photo. I started with 3" squares to make my HST, but that size is not mandatory, especially if you want to make a smaller quilt.

Come one, come all! August will be a Fun Day. Bring your own project to work on and have a good time chatting with friends. We will also be finishing up the quilt show ribbons. Load up your glue guns and join us for a little while. Bring your lunch and plan to have a fun day.

We had planned to help Cathy Terry and Marlene Bell get the donated magazines organized for the quilt show. After some thinking about it, we have decided that would require a lot of extra work for Cathy (who is storing all of the magazines until the quilt show). **However, Cathy and Marlene could use the help of any members who could come to the Shaver Center on Wednesday morning, September 19, for any amount of time that you could give. We'll be there by 9:00 a.m.** They will be sorting and organizing the magazines at that time. It is a big job and any help you could give would help them out. Let's all work together to make this a great "A Kaleidoscope of Quilts" show.

## 2018 Quilt Show News

**DATE:** September 20-22, 2018  
**CONTACT:** DeniseMcCormick – [denise.mccormick@blueridge.coop](mailto:denise.mccormick@blueridge.coop)

I am so looking forward to our show in September. I know many of us are still working to put the finishing touches on all those beautiful entries! **BE SURE TO HAVE A 3-INCH SLEEVE ON THE TOP OF YOUR QUILT.** We cannot hang it without it.

As the days get closer, there are several important dates to remember in August.

On August 21 at 9 a.m. we'll be assembling the show ribbons. Sue Swan has created some beautiful embroidery for these ribbons and has the center ready to go. We will simply be attaching ribbons. So bring your glue gun or just yourself and we'll finish this project quickly.

Our final meeting before the show is on August 27 and we'll use that time to finalize all our plans for September. If you have fat quarters to donate, bring them. Also, please bring the raffle tickets you've sold as well as any items you would like to donate to the Silent Auction. Most importantly, sign up to bring food and to volunteer your time. We have a great opportunity to share our love of quilting with others; however, it takes us all to be successful.

Thank you so much for the time and effort you've put forth these past months. I can hardly wait to unveil our "Kaleidoscope of Quilts"!  
Denise McCormick

**Boutique:**

“Just a reminder to start gathering up items for the Boutique. We love your handmade items, as well as any notions or quilting items that you aren’t using anymore. Fabric and kits are always popular, too. Check the website for the information about offering your items for sale or donation. If you don’t see the answer to your questions, email me at [ptcsews@nctv.com](mailto:ptcsews@nctv.com) and I will get an answer right out to you. And by all means, plan to shop with us for treasures that you know you can’t live without!

I will be at the day bee on August 21st (for the first hour or so, then I need to leave) and I will be at the guild meeting on August 27th to accept your books and magazines. I'm sure everyone can recognize my car by now, it will be the one with the hatch open.

Anyone that can come to the Shaver Complex on Wednesday September 19th to help me set up and organize the books for the show, I would really appreciate your help. I will be there at 9am, and any amount of time you can give will be appreciated.

Please also check the volunteer sign up sheet. We are still in need of many volunteers especially at the preview party. This is an easy job to do. We just really need someone to oversee the booth, collect money, and answer questions.

**Preview Party:**

Volunteers Still Needed: 1 person Thursday 7:30- 8

3 people Thursday 8-9

The Preview Party is a way for all of us to celebrate a job well done. In addition this year we are joining with the quilt trail to honor Carolyn Harris as Quilter of the Year. That means we will have even more guests at the preview. Our committee needs the help of all the members to make this a great celebration.

Members are asked to bring a plate of finger food - either appetizer or dessert to share. Please bring your food on a disposable plate if a possible. If you bring on a plate that should be returned please put your name on the back of the plate.

If convenient, send me an email letting me know whether you are bringing dessert or appetizer. You can drop off in the kitchen when you bring your entry quilt but please label for preview as there will also be food in the kitchen for worker meals.

If you have questions call on my cell. 864 376 0843 or email me at [sawoods67@gmail.com](mailto:sawoods67@gmail.com)
