Our last Guild meeting of the year is quickly approaching. This has been a busy and productive year! I am looking forward to 2019, with many interesting speakers and workshops lined up to inspire us.

December Meeting – December 3, 2018

The December meeting will be a relaxed, happy affair. I have asked Sharlene Oden of the Crafty Ladies to speak to you about their group. They have formed a group of crafters with a mission which should resonate with our members. Sharlene and some of the other Crafty Ladies will have items available for purchase. We all need cute items for family and friends at this time of the year and your purchases will help support the Collins Children's Home.

After the business meeting and Sharlene's presentation we will have refreshments. I hope that each of you will come to the meeting and greet your friends and fellow quilters. Also, I would ask that each of us go over and talk to someone whom you do not know. Come, enjoy yourself and make a new friend! Happy Holidays!

January Meeting – January 7, 2019

Come and watch the swearing in of our new Board. And give your applause and thanks to the former Board. Also learn of the exciting programs planned for 2019. We will have stimulating meetings, programs and great Day Bees. 2019 promises to be a great Quilt Guild year!

It's hard to believe that 2018 is coming to an end. I would like to thank all of the members who have helped to make our Day Bee/Fun Day program a success. I would especially like to thank Susan Wright and Barbara Sokol for their willingness to teach a workshop for us. And, a big thank you to Peg Mowrey for suggesting the Fun Day to our committee, and then her willingness to hostess it for us. As we head into the New Year, this would be a great time for you to let me know if you have any projects that you would like to have offered for a Day Bee. We have already scheduled several new activities and one "reboot" for the upcoming months. We will also continue to plan several Fun Days throughout the year.

January's workshop will be the quilt block carrier that I taught several years ago. Watch the website and email for the photo and supply list. Mark your calendars for January 15 and join us for a fun day of fellowship and sewing.

Library News <http://www.lmqg.org/files/LB15Dec.pdf>

Guild Members,

Please check your homes for LMQG library books. If you have any books that are past due, please return them to the library in December. We will be updating our files and taking end of the year inventory. If you are responsible for anything checked out longer than 2 months, and have not returned it, you will be getting a "gentle reminder." Marlene and I will be retiring from library duty, so we would like to have everything in order and up to date for the next librarian.

Thanks, Cathy & Marlene
