President's Corner by Sue Swan

We are beginning the ramp-up activities that will lead to our Quilt Show in September, "Kaleidoscope of Quilts". At our March meeting, we will be presenting the Quilt categories, and give some tips for entering a quilt in the show. We will be reviewing the activities that lead up to the show. Although we have filled many key positions, we are in need of additional help to make this show a success. No contribution is too small...all of our efforts, together will result in a success. So, take a few minutes this month to sign up to help with the show!

Did you Know...

The annual Spring Meeting for Quilters of South Carolina is held in the first part of the year at different locations around the state. The all-day meeting includes the annual business meeting, a lecture by a nationally known teacher, demonstrations by SC teachers, show and share and a luncheon. Vendors from around the state offer fabrics and tools needed for classes and projects. In addition, the speaker leads workshops on the Friday and Sunday preceding and following the meeting.

This year, the Annual Spring meeting and workshops are hosted by District IV, and will take place March 23-24-25 at The River Center at Saluda Falls Park in Irma, SC (near Columbia). This year's featured speaker and workshop leader is Jan Krentz. Take a minute to check out details on their web-site at www.quiltersofsc.org. Registration is open now.

NO TUESDAY WORKSHOP IN MARCH!

Please join us for our April Program with Jim Snell, sign up March 5 at the meeting.

Jim will demonstrate his techniques of painting a design that has been pre-stitched on fabric. The designs are usually stitched with black thread on white fabric so it looks similar to a pen and ink drawing. He then uses Intense pencils or blocks to add color to make the design come to life. The designs are absolutely stunning when finished! This technique will be a wonderful addition to enhance your quilt projects.

There is no sewing or embroidery machine work done at this workshop. This will be a half day workshop (you may stay longer if you wish). You will be embellishing a stitched design by coloring and painting. Don't miss out on this extraordinary opportunity to learn this unique technique to make your work of art stand out from the rest!
