President's Corner by Sue Swan

President's Corner May 2018

Exciting things are right on the horizon for Lake and Mountain. Registration of quilts to be shown in our show will begin in May. Are you working on an entry? Our Guild is known for the beautiful work of our members. So many wonderful artists in our midst ...

There are several Interesting programs coming up this year. Take a few minutes to look over the information posted on our web-site, and sign up for the workshops and Daybees to learn something new or hone a technique that interests you.

Our VP of Programs, Bonnie Davenport, has found it necessary to resign from her position for personal reasons; Bonnie has been responsible for bringing the many and varied speakers and programs to our Guild over the last two years. My sincere thanks to Bonnie for all her hard work, creativity and the dedication she has shown to Lake and Mountain. We have some big shoes to fill.

2018 Quilt Show News

DATE: September 20-22, 2018
CONTACT: DeniseMcCormick – denise.mccormick@blueridge.coop

At Pendleton's Spring Jubilee, our presentation quilt, Rajasthan, was quite a success. More than 200 raffle tickets were sold, plus a number of people stopped by to admire the work and ask questions about our guild. I certainly appreciate all those that helped that weekend. If you know of an event where we could display the quilt and sell raffle tickets, please let me know. It certainly doesn't have to be for a weekend, can just be an evening meeting. Also, if you have ideas of quilt shows or festivals where we could display it I will try to get it there. The months are moving by quickly so I hope you're working on your quilts for the upcoming show. I was recently approached by a representative from the Mountain Lakes CVB and they would like someone to take on the project of making their 150th year logo into a quilt that can then be painted and hung at their office. This would be a wonderful challenge quilt project for someone. If you're interested contact me at denise.mccormick@blueridge.coop.

Also, please begin to think about when you can be available to serve on the many committees that will need help leading up to our show in September and during the event itself. Also, you may begin bringing books and magazines that you want to donate to sell during the event. It takes all of us to make this a successful event, so get out your calendar and plan to be a part of the Kaleidoscope of Quilts.

Library News <http://www.lmqg.org/files/LB15Dec.pdf>

The library will be accepting your gently used quilting books, and magazines for the quilt show. Please be sure all pages and patterns are intact and the magazines are not older than 2014. You can start bringing them to us at the May meeting. I will have my car parked under the carport at the church for your convenience.

Thanks,

Cathy & Marlene
