President's Corner by Terri Becker

January, 2019

Greetings! As we begin this New Year, I want to thank all of those who made 2018 such a successful year for our Guild. There are so many to thank... I am certain that I would miss someone. I guess I should just thank each and every one of you! In 2018 we were fortunate to have many talented speakers and workshops to help us increase our knowledge and skills. And we hosted a most successful quilt show! Kudos to all who participated!

The New Year gives us all new opportunities. At our meetings we will try some new things while including some of your old favorites. If you have suggestions, let me know; we are hoping to soon incorporate a great suggestion by a longtime member. I am very excited for this opportunity as President and hope to get to know each of you a little better.

And I would like to thank the members who have served and are serving our quilting community as Board Members, Committee Chairs and Committee Members. Each of you give of your time and talents and it is most appreciated. You help to make this Guild a warm, caring organization.

And a thank you to everyone who purchased craft items at the December meeting. We raised \$461 for the Collins Children's Home. A most worthy cause!

Our first meeting of the New Year will be on Monday, January 7, 2019. We will thank the Board and Committee members who served us so well over the last two years and welcome the new Board and Committee members. In addition (drum roll please) we will be presenting the Program Schedule and workshops for 2019. I hope you will join us!

Quilts of Honor for Marines during Honor Their Service

Now that Christmas has passed and you've finished all your Christmas quilt projects (or added them to your UFO collection for next Christmas), please think of making a quilt to be distributed to the Marines who will be coming to Keowee Key in June 2019 as part of the Honor their Service activities. Each year every Marine who comes goes home with a quilt made by members of our Guild.

Quilts must be a **minimum of 60" x 72"**. **Patriotic colors are suggested, but not required.** We often have women Marines who might enjoy some other color choices.

Reminder: Several members of the guild took donated patriotic fabric in the summer/fall with the intent to make a quilt for this next group of Marines.

Please contact Patty Smith: 413-531-9275 or terp76@att.net if you have questions or completed quilts.
